MISSION STATEMENT

The Community Hebrew School's mission is to provide our children with the knowledge, skills, and confidence to promote Jewish identity and values, to understand and appreciate the meaning of the Torah, and to love and support Israel. We strive to instill in our students the ability to take pride in their Jewish heritage and to give them the confidence to function as Jews in the synagogue, in the Jewish community, and in the world.

With a variety of religious, educational, experiential and social activities, involving both the professional and lay leadership, we prepare our youth for life as responsible Jews as well as a curiosity to continue life-long Jewish learning. Our school's curriculum aims to promote an appreciation and understanding of our Jewish cultural and religious heritage through instruction in Jewish liturgy and prayer, Hebrew reading and writing, Torah studies, the Jewish life cycle, the geography of Israel, and Jewish history and traditions. This program supports our students' desires to take part in synagogue services, rituals, and celebrations of the Jewish holidays throughout the year. We strongly encourage regular family attendance at Shabbat services, School on Shabbat, and welcome our students' active participation in all aspects of davening and Torah reading.

The Community Hebrew School tries to offer a “maximum” educational and spiritual experience for our students. Therefore, regular attendance and participation is crucial for your child to succeed in our program.

- Please inform the school office of all absences and planned late arrivals.
 - School office telephone 201-815-8136 or e-mail: edudirector@chsbc.org
- The Educational Director should be informed of any long-term absence so that appropriate work can be assigned.
- **WE ASK THAT CHILDREN ARRIVE PUNCTUALLY SO THAT CLASS CAN START WITH ALL CHILDREN PRESENT.**
- On Sundays, supervision is offered from 9:20 a.m. If you arrive earlier, please accompany your child to the classroom and remain until a faculty member is available.
- On Tuesdays, supervision is available starting at 3:30. Likewise, students are permitted to enter their classrooms ONLY when a teacher is present.

SCHOOL ENTRANCE

Entrances and departures of students, parents and faculty will be through the main doors of each synagogue.

DISMISSAL PROCEDURES

In order to safely and efficiently dismiss the students, we ask parents to PLEASE adhere to the following guidelines.

NO STUDENT WILL BE DISMISSED WITHOUT AN ACCOMPANYING ADULT!

- Supervised carpool dismissal will be through the main doors of the synagogue. To utilize the supervised carpool dismissal, drivers have **two choices**:
 1. Enter the synagogue grounds, forming a single line along the driveway. The children will be dismissed by the faculty directly to the car when the car is adjacent to the school door.
 2. Cars may enter the main parking lot and PARK. The driver must then walk to the main doors of the synagogue and a faculty member will dismiss the children to the parent. For your child's safety, NO CHILD will be allowed to go into any parking lot without an adult.

If someone other than the regularly assigned adult is going to be picking up your children or car pool, please make sure they are listed on the registration form as a person authorized to pick up your child, that they are aware of our dismissal procedures. They might be asked to show identification.

NO CHILD WILL BE ALLOWED TO LEAVE THE BUILDING WITHOUT AN ADULT. PLEASE DO NOT ASK YOUR CHILD TO COME OUT TO YOUR CAR UNSUPERVISED.

EARLY DISMISSAL

We are aware that occasionally it is necessary for you to pick up your child before the regular dismissal time. Since this most definitely disrupts the class, we appreciate that you will keep early dismissals to a minimum.

- Proper notification must be given to the teacher or educational director with the name of the person that will be picking up the student and the time
- Please report directly to the Hebrew School office and wait for the student to meet you there. The parent or authorized adult must enter building to pick up the child.
- **DURING COVID TIME, CALL THE SCHOOL OFFICE FROM YOUR CAR AND YOUR CHILD WILL BE BROUGHT OUT TO YOU.**
- No child is permitted to wait outside the building unattended.
- In the event of an emergency or if you forget to send a note about an early pick-up, please go directly to the Hebrew School office and we will retrieve your child from class.

SCHOOL CLOSING/SNOW DAYS

- All scheduled closings are listed on the school calendar.
- If Paramus or Fair Lawn Public Schools are closed or let out early during the day due to inclement weather, the Hebrew School is automatically closed for the day.
- If the Hebrew School needs to cancel school during the school day, when public school is in session, we will reach out:
 - Email and Remind notification

TZEDAKAH: MAKING "CHANGE"

One of the most fundamental teachings of Judaism is the giving of Tzedakah. This means more than pledging or offering money, but also giving of oneself for the sake of others.

Tzedakah is collected regularly in school. Please have your child bring loose change each time they enter the synagogue.

SHABBAT ATTENDANCE

Your child has the opportunity to experience meaningful and enjoyable *Shabbat* activities on a weekly basis at their respective synagogues. The students are expected to participate in our Community Hebrew School of Bergen County Family Shabbat Services (*October 15th 2022 in Fair Lawn, November 19th in Paramus*). Future dates to be announced.

Shabbat should be filled with prayer, learning, *ruach* (spirit) and *chevra* (community and friendship) so that *Shabbat* becomes a special day of joy and sanctity in your child's life.

THE PARENT AND THE SCHOOL

PARENTAL INVOLVEMENT IN THE LEARNING PROCESS

The Board of Education, the Educational Director, and the Faculty strongly support parental involvement in the school.

- Parents are asked to call the school office if there are questions, suggestions, or concerns.
- Please inform the educational director of any personal situation that you feel will affect your child's performance in the Hebrew School. All such information is strictly confidential.
- A MEET THE TEACHER MORNING is planned early in the school year for an opportunity to meet the child's teachers, hear about the Hebrew School curriculum and engage in fun activities.
- Communications from the school office will be primarily through **EMAIL** and the **REMIND** App.

FAMILY PROGRAMS

Parents and families are invited to participate in various activities in the Hebrew School during the school year. This includes trips, family education programs during class time, and other special events. It is important that each child participate in these events with their families.

Learning alongside your children can be a phenomenal experience for the entire family. Across the country, the most consistent learning initiatives involve innovations and implementation of intergenerational learning.

Specifically, we believe that being together in a synagogue and school setting strengthens family ties and solidifies the very fabric of Jewish life. Please take advantage of the expanded offerings when we present our Family Education Days and special Shabbat Programs. These programs enhance the Jewish educational experience for the whole family, as a family.
